Cookie Policy

Uncle Isaac LLC Last Updated: July 2026

This Cookie Policy explains how Uncle Isaac LLC (“Uncle Isaac,” “we,” “us,” or “our”) uses cookies and similar tracking technologies on our website. It should be read together with our Privacy Policy.

1. What Are Cookies

Cookies are small text files placed on your device when you visit a website. They allow the website to recognize your device, remember your preferences, and collect information about how the site is used. Similar technologies, such as pixels, local storage, and software development kits within our mobile application, work in a comparable way and are covered by this Policy.

2. Types of Cookies We Use

Essential Cookies. These cookies are necessary for the website to function properly. They enable core features such as signing in, maintaining your session, and processing bookings. The website cannot function correctly without these cookies.

Performance and Analytics Cookies. These cookies help us understand how visitors interact with the website, such as which pages are visited most often and whether visitors encounter errors. This information helps us improve the Platform over time.

Functional Cookies. These cookies allow the website to remember choices you make, such as your ZIP code preference, so that we can personalize the content and Guardians shown to you.

Advertising and Targeting Cookies. These cookies may be used to deliver advertisements relevant to you and to measure the effectiveness of advertising campaigns. They may be set by us or by third party advertising partners.

3. Third Party Cookies

Some cookies on our website are placed by third party service providers, such as analytics providers and payment processors. These third parties may use cookies to collect information about your online activities across different websites over time. We do not control these third party cookies, and we encourage you to review the privacy policies of these providers for further information.

4. Managing Your Cookie Preferences

Most web browsers allow you to control cookies through their settings, including blocking or deleting cookies. Please note that disabling essential cookies may affect the functionality of the website, including your ability to sign in or complete a booking.

Where required by applicable law, we will present a cookie consent banner allowing you to accept or manage nonessential cookies before they are set.

5. Do Not Track Signals

Some browsers offer a “Do Not Track” feature. At this time, our website does not respond to Do Not Track signals, as there is no common industry standard for how such signals should be interpreted.

6. Changes to This Policy

We may update this Cookie Policy from time to time to reflect changes in technology, law, or our business practices. Any updates will be posted on this page along with a revised effective date.

7. Contact Us

If you have questions about our use of cookies, please contact:
